It's important to read this instruction book prior to using your new product for the first time.

Es importante que lea este libro de instrucciones antes de comenzar a usar su nuevo producto.

Il est important de lire ce manuel d'utilisation avant l'utilisation initiale de ce nouveau produit.

Class 1 Laser Product

This product contains a low power laser device.

Este producto contiene un dispositivo láser de baja potencia.

Cet appareil contient un dispositif à laser de faible puissance.
Safety Instructions

**WARNING:**
- Should any trouble occur, disconnect the AC power adapter and refer servicing to a qualified technician.
- TO PREVENT FIRE OR SHOCK HAZARD, DO NOT REMOVE COVER (OR BACK). NO USERSERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.
- TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE. DO NOT PLACE OBJECTS FILLED WITH LIQUIDS ON OR NEAR THIS UNIT.

**CAUTION:**
- USE OF CONTROLS OR ADJUSTMENTS OR PERFORMANCE OF PROCEDURES OTHER THAN THOSE SPECIFIED MAY RESULT IN HAZARDOUS RADIATION EXPOSURE.
- DANGER OF EXPLOSION IF BATTERY IS INCORRECTLY REPLACED. REPLACE ONLY WITH THE SAME OR EQUIVALENT TYPE.

On Placement
- Do not use the unit in places that are extremely hot, cold, dusty or humid.
- Place the unit on a flat and even surface.
- Do not restrict the air flow of the unit by placing it on a place with poor air flow, by covering it with a cloth, or by placing it on carpeting.
- To avoid magnetizing, do not place the unit near speakers or magnets.
- Do not use this unit in direct sunlight or leave the unit in a closed automobile (or similar environments) where it would be exposed to high temperatures above 104°F (40°C).
- No naked flame sources such as lighted candles should be placed on the AC power adapter or the main unit.
- The AC/DC adapter and apparatus should not be exposed to splashing or dripping liquids, and no objects filled with liquids, such as vases, should be placed on the AC/DC adapter and apparatus.

On Safety
- When connecting or disconnecting the AC power adapter, grip the plug and not the cord itself. Pulling the cord may damage it and create a hazard.
- When you are not going to use the unit for a long period of time, disconnect the AC power adapter.

On Condensation
- When left in a heated room where it is warm and damp, water droplets or condensation may form inside the unit. When there is condensation inside the unit, the unit may not function normally. Let the unit stand for 1 to 2 hours before turning the power on, or gradually heat the room and allow the unit to dry before use.

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated “dangerous voltage” within the product’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

**Ventilation Warning**
- Do not block the ventilation openings or holes. If the ventilation openings or holes are blocked by the heat may not be able to get out.
- Do not operate the unit in a confined space, such as a bookcase or built-in cabinet. Allow about 4 inches (10cm) of free space all around the unit for adequate ventilation.

**Rating Plate Location**
- The rating plate is located on the bottom of unit.

**Notes on Copyright**

- **Warning:** Reverse engineering and disassembly are prohibited. This item incorporates copy protection technology that is protected by U.S. patents and other intellectual property rights of Rovi Corporation. Reverse engineering and disassembly are prohibited.

**FCC Statements**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
**IMPORTANT SAFETY INSTRUCTIONS**

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
10. Protect the power plug from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
11. Only use attachments/accessories specified by the manufacturer.
12. Use only with a cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
13. Unplug this apparatus during lightning storms or when unused for a long period of time.
14. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as the power-supply cord or plug is damaged, liquid has spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

**Battery Replacement**

When the battery becomes weak, the operating distance of the remote control will be greatly reduced and you will need to replace the battery.

**Note:** If the remote control is not going to be used for a long time, remove the battery.

To change remote battery

1. Slide the battery drawer out from the bottom of the remote as shown.
2. Remove the old battery, then insert a new one only with the same or equivalent type, make sure the positive (+) side is facing upwards as shown.
3. Slide the drawer closed, it will click into place.

**WARNING:**

- Do not dispose of the battery in a fire or it may leak and/or explode.
- Batteries should not be exposed to excessive heat such as sunshine, fire or the like.

**CAUTION:**

Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

**WARNING**

DO NOT INGEST BATTERY. CHEMICAL BURN HAZARD.

The remote control supplied with this product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
Control Reference Guide - Remote Control

1. AUDIO
Press to select the DVD audio language. This option works only if the DVD has multiple audio languages.

2. VIDEO MODE
Press to toggle Flip On/Off.

3. MENU
Press to enter and exit the main DVD menu. This option works only if the DVD has a main menu.

4. ▼ ▲ ◀▶
Press to navigate the setup menus or to adjust settings.
Press ▼ to turn volume down or press ▲ to turn volume up.
Press ◀ to fast reverse or press ▶ to fast forward playback.

ENTER
Press to confirm selections on the menu.

5. ◀▶ (previous)
Press to go to the previous chapter or title on a DVD, or track on a CD.

6. ▶ PLAY
Press to start playback. When a disc is paused press to resume playback.

■ PAUSE
When a disc is playing, press to pause playback.

■ STOP
Press once to stop playback. Your player remembers where you stopped. If you press ▶, your player starts playing at the point where you stopped. Press twice to stop playback. If you press ◀, your player starts playing at the beginning of the disc.

7. REPEAT A-B
Press to repeat a specific portion (from point A to point B) of a disc.

REPEAT DISC
Press to repeat a DVD current title, chapter, a CD track, or entire discs of a CD.

8. SETUP
In stop mode, press to bring up the Setup menu.

</tbody>
</table>

9. DISPLAY
Press to display information about the disc, such as title, chapter number, track number, and time.

10. (next) ◀▶
Press to skip forward to the next chapter or title on a DVD, or track on a CD.

11. RETURN
Press to return to normal operation after using the Setup menu of a DVD.

SUBTITLE
Press to turn subtitles on and off, or press to select the subtitle language. This option works only if the DVD has subtitles.
# Control Reference Guide - Unit

## Plug headphones into this jack.

## Slide to change your DVD player to standby mode, turn it on or change the battery.

## Connect the AC power adapter/car power adapter to this jack.

## Press to adjust volume up and down.

## Press to stop disc playback.

## Press to toggle Flip On/Off. Press and hold for 3 seconds to turn on Menu.

## Press to go to the previous chapter, title or track during the disc playback or to navigate left on a menu.

## Press to go to the next chapter, title or track during the disc playback or to navigate right on a menu.

## Press to start or pause playback.

## Receive the remote control signal.

## Charge the rechargeable battery before using it for the first time. Complete charging typically takes approximately 4-5 hours. The charging light will go out when the battery becomes fully charged.

## Accessories

Please check and identify the supplied accessories.

Power Supply

A. Using the AC Power Adapter
The supplied AC power adapter operates on AC 100-120V.

**Caution:**
- The AC power adapter included with this unit is for its use only. Do not use it with other equipment.
- When the unit is not going to be used for long time, disconnect the AC power adapter from the AC power outlet.
- When the AC power adapter is plugged in, the apparatus is not completely disconnected from the main power supply, even when the power is turned off.

**Warning:**
The AC power adapter is used as disconnect device and it should remain readily operable during intended used. In order to disconnect the apparatus from the mains completely, the AC power adapter should be disconnected from the mains socket outlet completely.

![Diagram of AC Power Adapter Connection]

1. To wall outlet
2. To DC IN 9V - 12V jack

B. Using the Car Power Adapter
The 12V car power adapter allows the unit to be used with vehicles that have a 12V, negative ground electrical system.

**Warning:** Disconnect the car power adapter when not in use. Not for use in 24V vehicles.

![Diagram of Car Power Adapter Connection]

2. To DC IN 9V - 12V jack
1. To cigarette lighter socket

**Caution:**
- Use the provided 12V car power adapter only. Use with other car power adapters could damage the unit.
- The 12V car power adapter included with this unit is for its use only. Do not use it with other equipment.
- In the interest of traffic safety, do not operate this unit or view videos while driving a vehicle.
- Make sure the unit is securely fastened to prevent it from falling or flying through the air in the event of an accident.
- When the inside of the cigarette lighter socket is dirty with ashes or dust, the plug section may become hot due to poor contact. Be sure to clean the cigarette lighter socket before use.
- After use, disconnect the 12V car power adapter from both the unit and cigarette lighter socket.

**Fuse Replacement instructions**

1. Press and hold up
2. Press and hold down
3. Remove the fuse

**Caution**

For continued protection against risk of fire, replace only with same type and rating of fuse.
C. Using the Built-in Battery

The unit has a built-in, non-replaceable, rechargeable battery. Charge the built-in battery before using it for the first time. Complete charging typically takes approximately 4-5 hours. The charging light will go out when the built-in battery becomes fully charged.

To recharge the built-in battery

Warning:
- The built-in battery can only be recharged when the unit is in CHARGE mode while using the AC power adapter.
- The built-in battery cannot be recharged when the unit is in ON mode.
- Do NOT recharge the built-in battery in a vehicle using the car power adapter.
- Batteries should not be exposed to excessive heat such as sunshine, fire or the like.

Note:
- When the built-in battery power is low, "Battery Low" will display on the screen and the unit will stop playing.
- Recharge the built-in battery when you are ready to use it again.
- While using the built-in battery, the environmental temperature should be 41°F (5°C) to 95°F (35°C).
- To get the longest service life of the built-in battery, charge at indoor-temperature.
- The built-in battery in this device may present a risk of fire or chemical burn if mistreated. Do not disassemble, heat above 212°F (100°C), or incinerate.
- The unit should not be exposed to excessive heat such as sunshine, fire or the like.
- When discarding the unit, environmental problems must be considered and local rules or laws governing the disposal of such products must be strictly followed.

Turning on the Unit
1. Slide the [_STANDBY_/ ON] switch on the left side of the unit to the ON position.
2. The start-up picture will appear on the screen.
3. After use, slide the [STANDBY_/ ON] switch to the STANDBY (power off) position.

Swivel Screen

The unit is designed to allow users to have a swivel screen. The rotation angle can be adjusted as right +180°.

Caution:
- Push screen frame to adjust rotation angle. Do not push the LCD screen.
- Do not force the screen over its maximum rotation angle settings as stated above. Attempting this will result in damaging the unit.
**Placement**

**Mounting in the vehicle**

Use the supplied mounting straps to install the unit on the back of the vehicle's headrests. Tightly wrap the mounting straps around the headrest.

**SAFETY WARNING!**

- This unit should never be used by the vehicle's driver or left unsecured in the vehicle while driving.
- If this unit is being used in your vehicle, be sure that it is secured or held safely, and does not obstruct any safety device, including air bags or seat belts.
- All passengers should wear seat belts when using this unit in a moving vehicle.
- If in doubt, please contact your vehicle manufacturer for further advice.
AVC MULTIMEDIA ("AVC") makes the following limited warranty. This limited warranty extend to the original consumer purchaser and is limited to non-commercial use of the product.

One Year Parts & Labor Warranty
AVC products purchased in the United States are warranted to be free from defects in materials or workmanship for a period of one year from the date of their original retail purchase. If the unit fails to conform to this warranty, we will service the product using new or refurbished parts and products, at AVC’s sole discretion.

During a period of one year from the effective warranty date, AVC will provide, when needed, service labor to repair a manufacturing defect at its designated Service Center. To obtain warranty service in the United States, you must first call our Customer Support Center at 1-800-506-5746 or 1-877-252-6873, during the hours listed in the box below. The determination of service will be made by AVC Customer Support. **PLEASE DO NOT RETURN YOUR UNIT TO AVC WITHOUT PRIOR AUTHORIZATION.** New or remanufactured replacements for defective parts or products will be used for repairs by AVC at its designated Service Center for one year from the effective warranty date. Such replacement parts or products are warranted for an additional one year from the date of repair or replacement. The Customer will be required to ship the unit to the Service Center indicated at the time Customer Support is contacted to make the necessary repairs. The customer is responsible for all transportation charges to the service facility.

Packaging and Shipping Instruction
When you send the product to the AVC service facility you must use the original carton box and packing material or an equivalent as designated by AVC.

**LIMITED WARRANTY**

Your Responsibility
(1) You must retain the original sale receipt to provide proof of purchase.
(2) These warranties are effective only if the product is purchased and operated in the U.S.A. or Canada.
(3) Warranties extend only to defects in material or workmanship, and do not extend to any product or parts which have been lost or discarded, or damage to product or parts caused by misuse, accident, improper operation or maintenance, or use in violation of instructions provided with the product, or to product which has been altered or modified without authorization of AVC, or to products or parts thereof which have had the serial number removed or changed.

Out of Warranty
In the event your product requires repair after the limited warranty period has expired, please contact our Customer Support Center at 1-800-506-5746, 1-877-252-6873 or www.RCAav.com

**Hours: Monday–Thursday: 9am–7pm, Friday: 9am–5pm, Saturday: 9am–NOON Eastern time.**
Important: You are responsible for any transportation, shipping or insurance relative to the return of product to our Product Returns Center.

All warranties implied by state law, including the implied warranties of merchantability and fitness for a particular purpose, are expressly limited to the duration of the limited warranties set forth above. With the exception of any warranties implied by state law as hereby limited, the foregoing warranty is exclusive and in lieu of all other warranties, guarantees, agreements and similar obligations of manufacturer or seller with respect to the repair or replacement of any parts. In no event shall AVC be liable for consequential or incidental damages.

No person, agent, distributor, dealer or company is authorized to change, modify or extend the terms of these warranties in any manner whatsoever. The time within action must be commenced to enforce any obligation of AVC arising under the warranty or under any statute, or law of the United States or any state thereof, is hereby limited to one year from the date of purchase. This limitation does not apply to implied warranties arising under state law.

This warranty gives you specific legal rights and you may also have other rights, which may vary, from state to state. Some states do not allow limitation on how long an implied warranty lasts, when an action may be brought, or the exclusion or limitation of incidental or consequential damages, so the above provisions may not apply to you.

For more information on other products and services, please visit our web site at www.RCAav.com.

**Important:** Also keep your “Bill of Sale” as proof of purchase.
